Bug report 01

Summary: Product description does not match the product name and/or image of the product

Description: Product description does not match the product name and/or image of the product in the men's shoes section

Priority: high	**Severity:** minor

Preconditions:
1. The URL: https://malleni-staging.codicadev.net/ - must be opened in the browser.

Steps to reproduce:
1. Scroll down the main page to the "Product categories" section.
2. Click on the "Men" block.
3. Click on "Shoes" in the opened section "Men categories"
4. Pay attention to the name, image and description of the products in this section

Actual result:
Product description does not match the product name and/or image of the product

Expected result:
The description of the product corresponds to the name of the product and its image.

Environment:
OS: Windows
Version OS: 10 x64
Browser: Google Chrome 100.0.4896.127 x64
